Transmittal No. 241

Oil Pipeline Filing:

To: Kimberly D. Bose, Secretary
FEDERAL ENERGY REGULATORY COMMISSION
888 First Street, N.E.
Washington, DC 20426

Dear Secretary Bose:

The accompanying Magellan Pipeline Company, L.P. ("MPL") tariff, issued on November 30, 2022, to be effective on December 1, 2022, is sent to you for filing in compliance with the requirements of the Interstate Commerce Act and the rules and regulations of the Federal Energy Regulatory Commission. Said tariffs are issued by Jake Nolte, Supervisor, Tariffs, for MPL, and are concurred in by all carriers named therein as participants under the concurrences or authorizations now on file with Carrier.

F.E.R.C. No. 160.42.1 canceling F.E.R.C. No. 160.42.0, IS22-933-000

F.E.R.C. No. 160.42.1 is filed under authority of 18 CFR 342.4(b) (market-based) pursuant to the Commission's finding of lack of market power in Opinion No. 391 (68 FERC ¶ 61,136) and Opinion No. 391-A (71 FERC ¶ 61,291). This tariff contains local and joint rates. This tariff contains a new Item 260, establishing temporary seasonal incentive rates for Columbia, MO and Palmyra, MO destinations. The temporary seasonal incentive rates represent a 15% reduction from the corresponding base rates and are only effective during the period beginning December 1, 2022 and ending March 31, 2023. Temporary seasonal incentive joint rates in Item 260 are at or below the sum of the local rates. A schedule showing the sum of the local rates for these joint movements is attached hereto. References to other tariffs have been updated to reflect the current tariff numbers where applicable. No other changes have been made.

Pursuant to 18 CFR 341.14 (Special Permission), MPL requests that it be granted a waiver under Section 6(3) of the Interstate Commerce Act to file this tariff on less than one (1) day's notice to give shippers immediate access to the reduced temporary incentive rates on December 1, 2022.

MPL hereby respectfully requests that all protests, complaints, suspensions, motions, or orders, which in any way affect this publication, be transmitted via facsimile concurrent with their filing/issuance to Jake Nolte at (918) 574-7495 and Leah Ward at (918) 574-7039 confirmed at the telephone numbers shown below.

I hereby certify that I have on or before this date sent one copy of the publications and transmittal to each subscriber thereto in accordance with 18 CFR § 385.2010(f)(2). Please direct questions and services regarding this filing to Jake Nolte at the address shown.

Respectfully submitted,
