

Attractive 8% Yield from Essential Energy Infrastructure

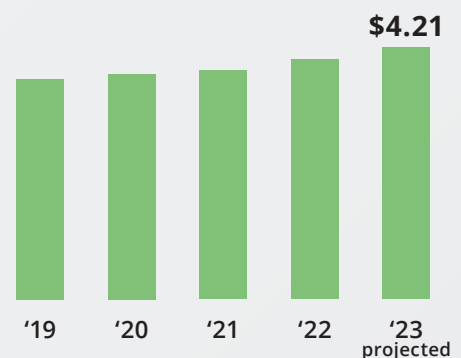

Moving What Moves America[®]

Magellan owns the longest refined products pipeline system in the country. We can tap into nearly 50% of the nation's refining capacity and store more than 100 million barrels of petroleum products, such as gasoline, diesel fuel and crude oil.

Moving What Moves America[®] is more than just our motto — it represents who we are and our mission to safely and reliably deliver the essential fuels that support economic prosperity and energy security in the communities we serve.

With Magellan, you are investing in the strength and stability of an investment-grade company. Our investors benefit from our resilient business model and attractive quarterly cash distributions.
